School Introduction

About US

USCA Academy (www.uscaacademy.com) is a registered private school with the Ministry of Education. Our school is an international school that offers Ontario High School program, Summer SCHOOL, Language training ETC. We have a very high university acceptance rate .Most of students get accepted by University of Totonto, Waterloo, Macmaster,etc.

The school is located in the city center of Mississauga (25 minutes to downtown Toronto). Just 7 Km to University of Toronto, Mississauga Campus.

Our Vision

At USCa Academy, we are aiming for quality education. We understand the various demands placed on high school students. Our professional and caring teaching staff create a safe and stimulating learning environment through continuous encouragement and assistance. We value each individual's strengths and qualities, helping our students maximize their potentials and achieve their goals.

We are committed to cultivate student leadership, strong character and confidence, and focus on students' moral, intellectual, physical, social, and overall development. We deeply believe in "Learning today for leadership Tomorrow"

Our Programs

High School Diploma Program

Students who complete Ontario High School courses, will achieve Ontario Secondary School Diploma (OSSD), and can also apply to any Canadian and/or International Universities

who can apply ?

Students from middle schools or current course takers for Grades 9, 10, 11 and 12 (or current course takers in the International Baccalaureate Diploma Program (IB), O-level)

University Preparation-Fast Track Program

UPC is a program for international students who have a high school diploma from their home country. Students should choose 6 credit courses for their university application based on their career plans. This aims to help students enhance their comprehensive academic ability and English skills, and make sufficient preparation for entering university in a short time (around 6 month)

Who can apply ?

Students who have graduated from high school and have already obtained a high school diploma (or graduates from the International Baccalaureate Diploma Program (IB), O-level)

Graduates

Graduates

ESL

ESL program includes five levels: ESLAO, ESLBO, ESLCO, ESLDO, ESLEO. It takes 7 weeks to finish each level. Learning contents include Listening, Speaking, Reading, and Writing.

Credit Transfer

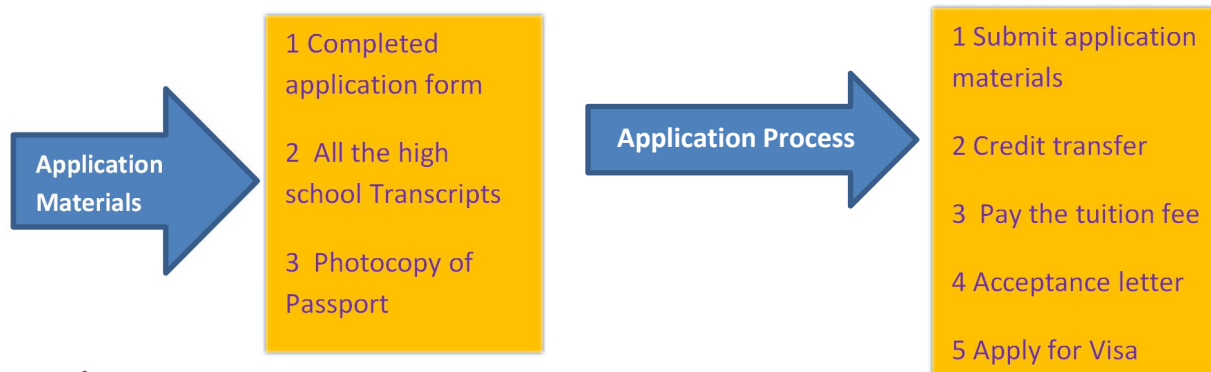

For credit transfers, the school will evaluate courses taken in the home countries of our international students. The school will compare the completed courses with Canadian courses and evaluate the number of equivalent credits for which the student can be granted. The following chart shows an estimation of transferred credits for different grades

Grade/Level Completed	Foreign Credit Equivalency	Grade Qualified in Ontario
Junior High School / Form 3	8	Grade 9
Senior High School year 1 / Form 4	16	Grade 10
Senior High School year 2 / Form 5	22	Grade 11
Senior High School year 3 / Form 6	24	Grade 12

Support & Contact Information

To help students adapt to Canadian life style and studies, the school provides a series of support:

➤ Airport Pick up

When students arrive at Toronto Pearson Airport, the school makes arrangements for pick up.

➤ Registration

At the beginning of each semester, the school introduces students the available courses and other required information, assisting students in setting up a bank account, applying for a social insurance number, purchasing textbooks, tour of Toronto, Mississauga Public Transportation system, legal issues, and safety knowledge

➤ *Arrangement of Accommodation*

According to the different needs of students, we help them in finding a host family, apartment rentals, friends, and family dormitory. (student may choose the most appropriate arrangement for accommodation)

Single Room

Single Room

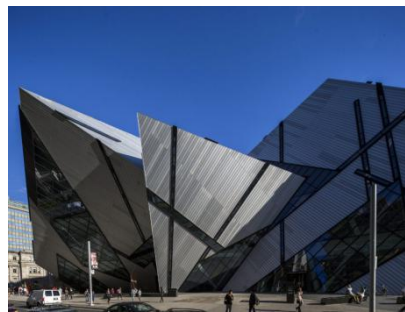

Double bed room

➤ *Study Guidance*

The school's education consultants assist students in choosing the right compulsory and elective courses, university applications and etc.

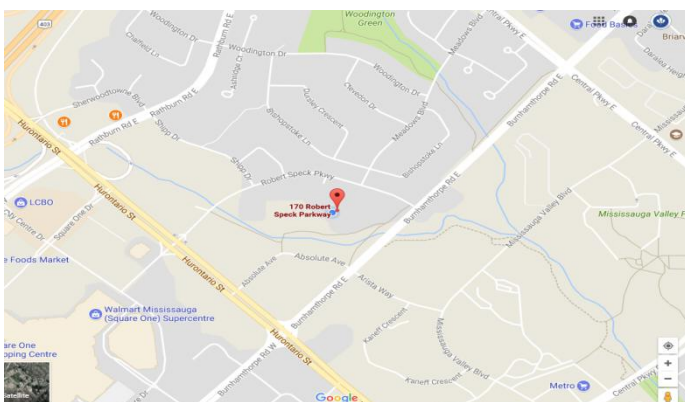

➤ *Extracurricular Activities and Student Life*

The school provides students with different extracurricular activities on a regular basis such as hiking trips, swimming, skiing, scenic tours, university visits, enhance physical fitness, strengthen the friendship between teachers and students, broaden their horizons and enrich their lives.

➤ *Career Guidance&Immigration information*

We provide employment information. For future immigrant students, our immigration adviser provides timely guidance and advice.
