School Introductions

About US

USCA Academy is a leading international school and private school located at the city center of Mississauga, Ontario. The school offers Elementary School Program (Grade 1-8); Ontario Secondary School Diploma program(OSSD, Grade 9-12) and University Preparation Program(Grade 12).

After completing our high school programs, students can apply for any universities in Canada and worldwide (US, Australia, England, Hong Kong, etc). Most of our students got accepted by University of Toronto, Western University, McMaster University, University of Waterloo, University of Guelph, and other top universities. Our University acceptance rate is close to 100%.

The school put continuous efforts in students to accomplish their desired educational goals. At USCA Academy, we pride ourselves on giving our local and international students a quality education from certified and highly experienced teachers.

Our Vision

At USCA Academy, we aim for quality education. We understand the various demands placed on high school students. Our professional and caring teaching staff create a safe and stimulating learning environment through continuous encouragement and assistance. We value each individual's strengths and qualities, helping our students maximize their potentials and achieve their goals. We are committed to cultivating student leadership, strong character and confidence, and focus on students' moral, intellectual, physical, social, and overall development. We deeply believe in "Learning today is of leadership tomorrow."

Our Programs

Ontario Secondary School Diploma (Grades 9-12)

This Program is designed for students who have not completed high school studies in their respective countries and wish to pursue their studies in a prestigious Canadian or American University. Students who enrolled in this program at USCA Academy and successfully complete the program requirements will get the Ontario Secondary School Diploma (OSSD). USCA Academy will assist all students who complete their OSSD at USCA Academy to get admission to any Canadian or International University at their choice.

WHO IS ELIGIBLE?

Graduates from middle schools and current course takers of Grades 9, 10, 11 and 12 (or current course takers in the International Baccalaureate Diploma Program (IB), O-level).

University Preparation Program (Grade 12)

University Preparation Program is a 1 year program which will help you complete all the pre-requisites of the university/college of your choice. After successful completion of one year Canadian Pre-University Program, students will get guaranteed admission to program of a university of their choice: Accounting, Architecture, Computer Science, Engineering, Financial Studies, Social Science, and many more.

WHO IS ELIGIBLE?

Graduates from high school or current course takers in Grade 11 or 12 .

Ontario Elementary School Program (Grades 1-8)

Primary: Grades 1-3

Junior: Grades 4-6

Intermediate: Grades 7-8

The Elementary division at USCA Academy encourages students to learn at their own pace and in their own personalized way. The focus at this stage is on nurturing curiosity and providing students with opportunities that instill a love of learning. We offer a stimulating program with elements of inquiry-based learning and project-based learning.

Our Curriculum ensures to cover all subjects including Language, Mathematics, Science, Technology, Social Studies/World Issues, History, Geography, French, Music, Health, and Physical Education. The program combines many different educational materials including textbooks, workbooks, educational videos, scholarly online journals, and more.

Our Advantages

1. Credit Transfer Advantage

With our Prior Learning Assessment, Students will get Ontario high school credits for your previous high school work that you have completed in your own country, no matter what educational system you studied in before. The school will compare the completed courses in their home countries with Canadian courses and evaluate the number of equivalent credits for which the student can be granted. The following chart shows an estimation of transferred credits for different grades:

Grade/Level Completed	Foreign Credit Equivalency	Grade Qualified in Ontario
Junior High School / Form 3	8	Grade 9
Senior High School year 1 / Form 4	16	Grade 10
Senior High School year 2 / Form 5	22	Grade 11
Senior High School year 3 / Form 6	24	Grade 12

2. Flexible Student Intake

With five student intake semesters a year (September, November, February, April, July), USCA Academy allows you to start when it's most convenient for you. Plus, Our math and English placement tests ensure you start at the right level.

Our English ESL program includes five levels, ESLAO, ESLBO, ESLCO, ESLDO, ESLEO. It takes 7 weeks to finish each level. Learning contents include Listening, Speaking, Reading, and Writing.

3. High University Acceptance Rate

After finishing the high school program, students can enter a top Canadian University in the world. Most of our students have entered the University of Toronto, University of Waterloo, McMaster University, Queens University, Western University, York University, Ryerson University, University of Ottawa, University of Windsor, Laurier University, Trent University, University of Guelph, and so on.

4. Guidance Assistance

Our Academic guidance counselors will assist our students in developing personalized study-plan for their whole academic journey at USCA Academy. Guidance counselors will work with students closely, providing all assistance to build their education plan. USCA Academy will also provide university application assistance for students.

5. More Teacher-to-Student Attention

Our Average class size is 5-15 students in each class. The low-class size in our school allows students to get the attention you need and succeed in the education journey.

6. Best Location

USCA Academy is located in the Greater Toronto Area, in the heart of Mississauga, Ontario, Canada. Our prime location gives our students access to major public transportation routes and major attractions. Our site is less than a 10-minute walk from the Square One Shopping Centre, the largest shopping center in Ontario, and the second-largest shopping center in Canada. Downtown Toronto is also just a 30-minute bus ride or 20-minute drive away! Further providing access to primary Canadian attractions such as the CN Tower and Air Canada Centre for events.

7. Fully Registered and Accredited Private School

USCA Academy is a fully registered and accredited secondary school inspected by the Ontario Ministry of Education. In Ontario, private schools operate as businesses or non-profit organizations under the legal requirements established by the Education Act.

Other Support

To help students adapt to Canadian lifestyle and studies, the school provides a series of support:

Study Permit Application

Our licensed Immigration consultants can help apply for the study permit when student need.

Airport Pickup

When students arrive at Toronto Pearson Airport, the school makes arrangements for pick-up.

Registration

At the beginning of each student's registration, the school introduces students to the available course list and other required information; assists students in setting up a bank account and social insurance number; purchasing textbooks, providing a tour of the city and transit system; legal issues, and safety guidelines.

Career Guidance Immigration Information

We provide employment information. For future immigrant students, our immigration advisor provides timely guidance and advice.

Arrangement of Accommodation

According to the different needs of students, we help them in finding a host family, apartment rentals, friends, and family dormitory. (student may choose the most appropriate arrangement for accommodation)

Single Room

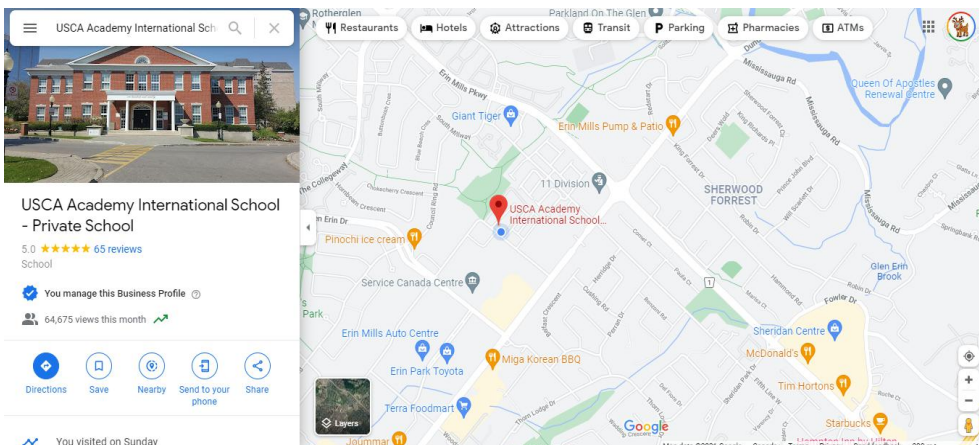

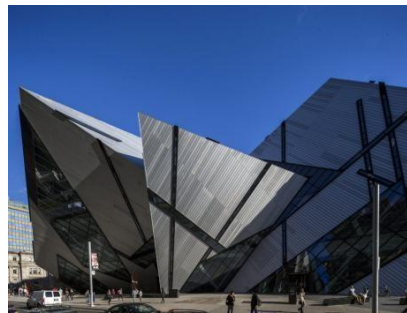

Single Room

Double bed room

Extracurricular Activities and Student Life

The school provides students with different extracurricular activities on a regular basis such as hiking trips, swimming, skiing, scenic tours, university visits, enhance physical fitness, strengthen the friendship between teachers and students, broaden their horizons and enrich their lives.
